

STARDEK™ PAVER SAVER™

Adds Character & Protection to Your Concrete, Brick or Pavers!

Discover what thousands of people are saying about **STARDEK PAVER SAVER!**

*You paid thousands for a beautiful entrance, pool deck, driveway, or patio. Although elegant, these types of surfaces can easily stain and mildew. Why not protect it with **PAVER SAVER**. A clear sealer, **PAVER SAVER** is specially formulated to restore and protect these expensive surfaces year after year.*

Color-Crown Corporation manufacturers of **PAVER SAVER** and **STARDEK** coatings has been making concrete coatings since 1972. Whether you want to seal and protect your pavers, or add a beautiful brick or tile design to your existing concrete, Color-Crown has the product for you. Contact your local **STARDEK** supplier today for an installer in your area.
